

E30 E36 Series Heavy Duty Electric Wheel Loader 1.65Ton 1.8Ton Battery Front Loader for Earthmoving

Specifications :

Price	Contact us
Place of Origin	China
Min.Order Quantity	1
Payment Terms	OEM?ODM?OBM
Supply Ability	1000
Delivery Detail	one month

Detail Introduction :

Our E30/E36 Series features two high-capacity models designed for heavy daily workload efficiency:

E30 Electric Wheel Loader (1.65 Ton Capacity): Built with a **1650 kg rated load**, a **0.6–1 m³ bucket capacity**, an extended **3600 mm dump height**, and a high-energy **63.3 kWh battery capacity**.

E36 Heavy Duty Electric Wheel Loader (1.8 Ton Capacity): Upgraded workhorse featuring an **1800 kg rated load**, a **0.6–1 m³ bucket capacity**, a **3600 mm dump height**, and a **63.3 kWh battery capacity** for maximum earthmoving productivity.

Category	Unit	E30	E36
Power Type	—	Electric / Battery	Electric / Battery
Rated Load	kg	1650	1800
Rated Bucket Capacity	m³	0.6–1	0.6–1
Dump Height	mm	3600	3600
Battery Capacity	kWh	63.3	63.3

Product Highlights & Key Features

High-Capacity 63.3 kWh Battery System: High-density battery pack provides extended continuous operating time for intense heavy-duty shifts.

Superior 3600 mm Dump Height: Easily clears high-sided hoppers, agricultural trailers, and heavy dump trucks.

Heavy Earthmoving Capability: High breakout force and quick hydraulic responsiveness ensure efficient loading of heavy gravel, sand, and soil.

Zero Emissions & Low Noise: Completely eliminates exhaust fumes and drastically reduces job site noise for safe, healthy indoor and outdoor operations.

Significantly Reduced Operating Costs: Save up to 75–80% on fuel and routine engine maintenance expenses compared to traditional diesel loaders.

Product Applications

Construction & Earthmoving: Moving aggregate, backfilling, site clearing, and loading dump trucks.

Agriculture & Bulk Handling: Moving silage, grain, fertilizer bags, and heavy manure.

Quarry & Industrial Storage: Stockpile management and raw material handling in outdoor logistics yards.

Why Choose Our E30/E36 Series?

Factory Direct Value: Heavy-duty structural build at competitive direct-from-factory pricing.

Rugged Frame & Components: Built with reinforced boom arms and heavy axles for demanding earthmoving operations.

Global Service & Spare Parts: Fast availability of replacement battery and electrical components.
